

Meet the Makers Trail

— Central Coast —

For tours and workshops, call ahead and pre-book to secure your place.

A collective of Central Coast makers and creators have teamed up to offer a 'Meet the Makers' experience that trails the Central Coast from coast to hinterland.

Tempt your taste-buds with multi award-winning cheeses, or try your hand at a cheese making workshop. Savour sweet nougat and chocolates handcrafted locally at leisure, or on a factory tour.

Sample botanical and fruit flower wines, or book in for a meet the winemaker or chocolate and wine experience for two. Take to the water to experience NSW's only pearl farm, harvesting the precious, local Akoya pearl by third-generation pearl farmers.
