# Why Central Coast?

## We welcome you to the Central Coast for your next event-ture!

There are hundreds of options to meet, learn, play and unwind on the NSW Central Coast. Explore destinations from the beach to the hinterlands, that are loaded with attractions, unique natural features and welcoming locals ready to make your next event a pleasure.

### Conveniently close, yet feels a world away

Just one hour north of Sydney and accessible by road, air, rail and water, the Central Coast offers an unparalleled mix of natural beauty, attractions and amenity for organisers looking to create memorable events. Gosford and Wyong are the region's urban hubs while Terrigal, The Entrance and Ettalong radiate coastal charm with the facilities to meet and seaside spaces to reconnect.

There's an abundance of unique venues, outdoor spaces and fully appointed conference centres to choose from including [Crowne Plaza Terrigal Pacific](#), luxury resorts such as [Bells at Killcare](#), and coastal function spaces with spectacular water views such as [Pullman Magenta Shores Resort](#) and [The Beachcomber Hotel](#). Relax in one of hundreds of boutique hotels and spacious self-contained apartments, break away with a country retreat and farmstay at Yarramalong Valley Wyong or in an eco cabin at [Glenworth Valley](#).

### Escape the city

Create a purposeful retreat and let your teams discover the rich Indigenous history, nature and wildlife, creative makers and artists, delicious seasonal produce and adventures that make this area unique and unforgettable.

When it comes to eats, treats and time out, delegates are spoilt for choice with wining and dining options, teambuilding, leisure activities and adrenaline-fuelled fun as well as opportunities to relax and unwind. Sipping trails are an increasingly popular way to get to know the region and its makers. Try Central Coast Scenic Sips to taste the finest from [Six String Brewing Co](#), [Firescreek Winery](#), [Distillery Botanica](#), [Bar Botanica](#) and the award-winning [Mr Goaty Gelato](#).

### Come for business, leave refreshed

There's nothing like endless horizons to encourage blue-sky thinking. Head outdoors for teambuilding and leisure time. Blessed with 87km of unspoilt coastline, there are sheltered sandy bays, inlets, lakes, wild ocean stretches and national parks laced with walking trails and scenic drives to explore as a team or individually during downtime.

Hike through lush bushland, stroll around landscaped parks, kayak and canoe the waterways, spin along the laidback cycle paths and challenge each other on mountain bike tracks, horseback, or a dive or snorkel adventure. For more traditional team days, master eighteen holes at one of the Central Coast's golf resorts like [Kooindah Waters Golf Club](#) before a lunch or dinner prepared with local produce.
