

Key Event Information

Enjoy the views and warm your heart this June long weekend. Soak up the live music, free entertainment and celebrate our local produce from around the region. Follow our event trail, visit local farms, pick your own fruit and relax at a few of our many event hubs. All event information can be found at

Book and plan ahead

Check out our program and determine what activities you wish to visit. Be sure to book ahead so you don't miss out on any of your favourite hubs. There is also limited reception in some locations so plan your trip beforehand, so this doesn't affect your day.

Drive safely

We urge people to drive safely throughout Harvest Festival. Some key roads around event hubs will be affected over the weekend. Stick to speed limits and expect some delays with increased traffic around the area. There will be car parking at each location and remember to always look out for your mate and drive responsibly.

Whatever the weather

In the event of wet weather, check our Facebook page. Keep up to date on our <u>Harvest Festival website</u> or stay tuned to Star FM 104.5 for updates.

Stay connected!

Stay up to date with all things Harvest Festival including sneak peaks, event information and much more! Like & follow us on Facebook @harvestfestcc

ATM and Cash Points

Some of our event hubs have limited access to cash points or ATM facilities as they are on farms or remote properties. Plan ahead and bring cash, so you can enjoy the many activities around the region.

We are celebrating our fantastic local produce from around the region. We ask all attendees to be respectful when visiting locally owned properties and farms, and we thank all the event hub partners who are opening their gates and giving us a glimpse of what they do every day.
