Terrigal bucket list

Al fresco seaside brunching. Terrigal has a quality raft of modern café and brunch spots, some are local favourites, others are a holidaymaker's haven.

Conquer The Sink challenge. This is a long-standing local ice cream eating challenge reserved for the extremely sweet toothed at Terrigal Ice Creamery. The crew will serve up a giant sink of icy scoops covered in cream and sauce for you to devour...we'd recommend calling in reinforcements for this one.

Quintessential beach day. Spend your day outdoors at Terrigal beach, with a relaxing swim in the waves or rockpool, take a stroll along the accessible boardwalk to The Haven, or hire a paddle boat to explore the lagoon, with cafés, bars and boutique shops all within a minute's walk.

Sunset and signature cocktails in a rooftop bar. Get those amazing summer holiday vibes all year round simply by nabbing one of the best seats in the house at one of Terrigal's rooftop bars. The best thing about these rooftop spots? They all have killer menus too, from inspired bar snacks to tasty woodfired pizzas.

Fine dine on Modern Australian cuisine. Seaside villages offer something special when it comes to fine dining, especially when they source local seafood and seasonal produce to craft a modern Australian menu.

Meet sealife in a local park. An interactive way for kids to learn about the world under the water awaits at The ECO Certified Central Coast Marine Discovery Centre while parents can grab a coffee and bite to eat at Parklife Coffee.

Peruse boutique retail, art and fine wine. Browse through Terrigal's collection of boutique fashion stores and purchase some fine wines at Le Pont Wine, before heading to the KAB Gallery to enjoy a curated exhibition.

Dive a world-class shipwreck or watch for whales. Just off the coast of Terrigal, 32 metres deep, sits the ex-HMAS Adelaide shipwreck which has been transformed into an artificial reef and world-class dive attraction.

Calm day in The Haven. Terrigal Haven is easily accessible via a coastal boardwalk from The Esplanade. If you're an early bird, catch the worthy sunrise at Terrigal Point, the tip of a dog-friendly reserve. Alternatively, stay above the surface and book a dolphin or whale-watching adventure (between May to November), with Terrigal Ocean Tours.

Embrace the surfie lifestyle. You just can't fight the feeling to lead a life by the ocean at Terrigal. Luckily, there are accredited professionals on hand to lend you a board and teach you how to catch that first wave.

Catch the monthly makers markets. Held on the first Saturday of the month, the community event invites you to browse fashion, food, and various handmade items crafted by small businesses.
